# About Me

Hi there,

My name is James Ross.

I am an acoustic wedding musician and a professional vocal and guitar teacher in Townsville, QLD.

The greatest joy of my career has been using music to connect, share and celebrate with people from all walks of life.

I have spent over a decade practicing and performing music so that I can offer couples experience, professionalism and high quality sound equipment when I am given the honour of playing for their wedding.

Beyond the music, I prioritise ensuring couples feel heard and informed in all wedding related discussions.
